On a call of committees under this rule, bills may be called up from either the House or the Union Calendar, excepting bills which are privileged under the rules, but bills called up from the Union Calendar shall be considered in Committee of the Whole House on the State of the Union. This rule shall not apply during the last 2 weeks of the session. It shall not be in order for the Speaker to entertain a motion for a recess on any Wednesday except during the last 2 weeks of the session:

*Provided*, That not more than 2 hours of general debate shall be permitted on any measure called up on Calendar Wednesday and all debate must be confined to the subject matter of the bill, the time to be equally divided between those for and against the bill: *Provided further*, That whenever any committee shall have occupied one Wednesday it shall not be in order, unless the House by a two-thirds vote shall otherwise determine, to consider any unfinished business previously called up by such committee, unless the previous question had been ordered thereon, upon any succeeding Wednesday until the other committees have been called in their turn under this rule: *Provided*, That when, during any one session of Congress all of the committees of the House are not called under the Calendar Wednesday rule, at the next session of Congress the call shall commence where it left off at the end of the preceding session."

"4. A Member may present to the Clerk a motion in writing to discharge a committee from the consideration of a public bill or resolution which has been referred to it 30 days prior thereto (but only one motion may be presented for each bill or resolution). Under this rule it shall also be in order for a Member to file a motion to discharge the Committee on Rules from further consideration of any resolution providing either a special order of business, or a special rule for the consideration of any public bill or resolution favorably reported by a standing committee, or a special rule for the consideration of a public bill or resolution which has remained in a standing committee 30 or more days without action: *Provided*, That said resolution from which it is moved to discharge the Committee on Rules has been referred to that committee at least 7 days prior to the filing of the motion to discharge.
