"4. A Member may present to the Clerk a motion in writing to discharge a committee from the consideration of a public bill or resolution which has been referred to it 30 days prior thereto (but only one motion may be presented for each bill or resolution). Under this rule it shall also be in order for a Member to file a motion to discharge the Committee on Rules from further consideration of any resolution providing either a special order of business, or a special rule for the consideration of any public bill or resolution favorably reported by a standing committee, or a special rule for the consideration of a public bill or resolution which has remained in a standing committee 30 or more days without action: *Provided*, That said resolution from which it is moved to discharge the Committee on Rules has been referred to that committee at least 7 days prior to the filing of the motion to discharge. The motion shall be placed in the custody of the Clerk, who shall arrange some convenient place for the signature of Members. A signature may be withdrawn by a Member in writing at any time before the motion is entered on the Journal. When a majority of the total membership of the House shall have signed the motion, it shall be entered on the Journal, printed with the signatures thereto in the Congressional Record, and referred to the Calendar of Motions To Discharge Committees.

Recognition for the motions shall be in the order in which they have been entered on the Journal.

"When any motion under this rule shall be called up, the bill or resolution shall be read by title only. After 20 minutes' debate, one-half in favor of the proposition and one-half in opposition thereto, the House shall proceed to vote on the motion to discharge. If the motion prevails to discharge the Committee on Rules from any resolution pending before the committee, the House shall immediately vote on the adoption of said resolution, the Speaker not entertaining any dilatory or other intervening motion except one motion to adjourn, and, if said resolution is adopted, then the House shall immediately proceed to its execution. If the motion prevails to discharge one of the standing committees of the House from any public bill or resolution pending before the committee, it shall then be in order for any Member who signed the motion to move that the House proceed to the immediate consideration of such bill or resolution (such motion not being debatable), and such motion is hereby made of high privilege; and if it shall be decided in the affirmative, the bill shall be immediately considered under the general rules of the House, and if unfinished before adjournment of the day on which it is called up, it shall remain the unfinished business until it is fully disposed of. Should the House by vote decide against the immediate consideration of such bill or resolution, it shall be referred to its proper calendar and be entitled to the same rights and privileges that it would have had, had the committee to which it was referred duly reported same to the House for its consideration: *Provided*, That when any perfected motion to discharge a committee from the consideration of any public bill or resolution has once been acted upon by the House it shall not be in order to entertain, during the same session of Congress, any other motion for the discharge from that committee of said measure, or from any other committee of any other bill or resolution substantially the same, relating in substance to or dealing with the same subject matter, or from the Committee on Rules of a resolution providing a special order of business for the consideration of any other such bill or resolution, in order that such action by the House on a motion to discharge shall be *res adjudicata* for the remainder of that session: *Provided further*, That if before any one motion to discharge a committee has been acted upon by the House there are on the Calendar of Motions To Discharge Committees other motions to discharge committees from the consideration of bills or resolutions substantially the same, relating in substance to or dealing with the same subject matter, after the House shall have acted on one motion to discharge, the remaining said motions shall be stricken from the Calendar of Motions To Discharge Committees and not acted on during the remainder of that session of Congress."
